Re: Mesa Ranch Well No. 1
Sec. 27, Twp. 25N,
Rge. 21E, Colfax County,
New Mexico

Dear Sir:

We are in receipt of executed Affidavit of Responsibility, Conversion to Water-Well, and C-103, Report of Conversion to Water-Well, for the above captioned well.

Both forms appear to be completely in order, and it is believed we will be in a position to cancel the bond on the well as soon as Form C-105, Well Record, as well as copies of any electric and/or radioactivity logs run on the well are received, and as soon as cuttings samples are delivered to the New Mexico Bureau of Mines at Socorro.

Very truly yours,

DANIEL S. NUTTER
Petroleum Engineer
