Phelps Dodge Well Nos. 1. 1-Y Colfax County, New Mexico

Dear Mr. Ulvog:

As requested, please find enclosed triplicate copies of Form No. C-105 covering the plugging and abandonment of the three referenced wells.

Also enclosed is an Induction-Electric Log and Compensated Density Log on the No. 4 Phelps Dodge. Logs were not run on the other two wells.

We hope these enclosures will enable you to close your files regarding these wells.

Very truly yours,
