Re: Bennett Petroleum Corporation
Phelps Dodge Well Nos. 1, 1-Y, 3, 3-Y,
and 4 - Colfax County, New Mexico

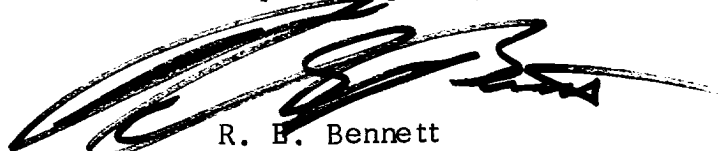

Dear Mr. Ulvog:

With reference to your letter of January 4, 1979, please find enclosed triplicate copies of Form C-103 covering plugging of Phelps Dodge Wells No. 1, 1-Y, and 4.

As regards Well Nos. 3 and 3-Y, these wells have been testing and are possible producers; therefore, these wells have not been plugged nor reported as producers.

We hope to be back in the area within two months' time to resume drilling.

Very truly yours,

R. B. Bennett
President
