Attn: K. R. Gordon

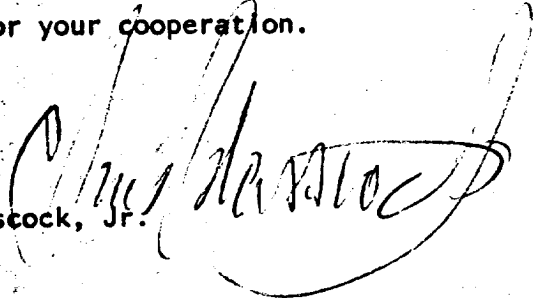

Dear Mr. Gordon:

The Oil and Gas Commission in Sante Fe, New Mexico called me today and wanted to know why a marker was not put on the Annie Bell #1 location in Colfax County, New Mexico.

I assumed that this had already been taken care of, and if this is not the case, please take care of this matter immediately.

Thank you for your cooperation.

Sincerely,

C. Gus Glasstock, Jr.
President
