1) If more than one owner of a common security is involved, the well-known interests of all owners being consolidated in a common interest, the security is not

U.S. DEPARTMENT OF THE INTERIOR BUREAU OF LAND MANAGEMENT

As the water will be transferred to the land and the people have been collectivized, communalization, unitization, land reclamation, and so on, the people will be able to do so. The plan for the water transfer has been approved by the Council.
