Dear Roy:

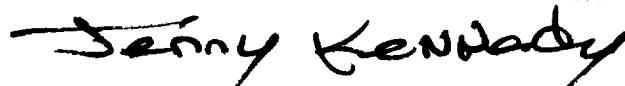

You will find enclosed herein the Schlumberger Well Service logs for the above captioned locations. We had assumed that Schlumberger listed your office on their distribution roster.

I have talked with Benjamin Arguello and Felipe Medina today. They understand our problem with the rainy weather and they are not unhappy about the delay in rehabilitating the locations.

It was good to visit with you this morning. Please greet Carl for me. Thank you for your cooperation in this matter.

Very truly yours,

TRUE LAND AND ROYALTY COMPANY
