Dear Mr. Johnson:

Enclosed is Division Form C-103 with a record of the casing and cement used in the Kaiser-Edson #1. A cementer's affidavit will be submitted as soon as it becomes available to me from Halliburton.

Perma Energy Management is currently preparing a Blanket Bond to transfer ownership of the Kaiser 1-Y and Kaiser 3, as well as any additional drilling in New Mexico. In addition, a copy of the one well bond submitted before drilling the Rushton #1 and the subsequent rider with the specific location has been forwarded to Diane Richardson.

Please contact me if you have any further questions.

Sincerely yours,

PERMA ENERGY MANAGEMENT CORPORATION
