Re: Drilling Permit
Moore Ranch - State #1
C-NW 1/4 Section 16 T29N R24E
Colfax Co., New Mexico

Dear Mr. Johnson:

Please find enclosed six (6) copies of form C-101, four (4) copies of form C-102, and a \$7500.00 plugging bond running to the State of New Mexico for the above referenced well. Should there be any problems, please advise by collect telephone call.

I would also like to thank you for your advice concerning selection of a drilling contractor. Earlier this week I met in Roswell with representatives of Rio Grande Drilling Company - they win by a landslide. Again, thanks.

Yours very truly,

Joseph H. Klaeger, Jr.
Field Superintendent
