Colfax County, New Mexico

Gentlemen:

We are herewith enclosing your approved copies of Forms C-103, Report on Beginning Drilling Operations and Report on Intermediate String, as well as Form C-102, Notice of Intention to Plug, for the above-captioned well.

We are also enclosing unapproved Form C-103, Report on Plugging, for insertion of your statement to the effect that the pits have been filled and the location cleared of all junk. This is in compliance with Oil Conservation Commission Rule 1106, as amended May 9, 1955, by Order No. R-677.

Very truly yours,

D. S. Nutter
Petroleum Engineer
