Attention: Mr. Charles W. Sanders

Gentlemen:

On June 24, 1974, you filed a Form C-103 reporting the plugging and abandonment of your Vaughn State Well No. 1, located in Unit E, Section 16, Township 6 North, Range 17 East NMPM, Guadalupe County. A statement appearing on that form is "Notification will be made as soon as pits are filled and location restored."

An inspection made of the subject location on September 20, 1974, revealed that the pits had not been filled nor had the location been cleaned or levelled. Please advise this office of your plans for compliance with Oil Conservation Commission regulations.

Yours truly,

CARL ULVOG, Senior Geologist
District IV Supervisor
