Dear Bruce:

It has been called to my attention that the location description for your T-4 Cattle Co. Well No. 2 is not the same on all forms submitted. I assume it is incorrect as shown by Form C-105. Should it not be as given by Forms C-101, C-102 and C-103? If you will make the correction on your copy of the C-105 and confirm this change by letter to the Commission, I will contact the other recipients of that form to make appropriate changes. This can prevent additional problems at some future date.

Yours truly,

CARL ULVOG
Senior Geologist
