Memo

From

CARL ULVOG
SENIOR

PETROLEUM GEOLOGIST

To

Bruce Wilbanks

Your T-4 Cattle Co. Wells #14#2 and the Moore Well #1, in Guadalupe County, have been plugged and abandoned. You have submitted the Form C-103 for abandoning the T-4 Cattle Company wells but have not yet sent us the C-105 forms. We have only the C-101 for the Moore well.

When we receive the necessary reports for the above described locations the abandonments can be approved and our files closed.

(See attached)

Thank you
