Dear Sir:

Enclosed is a copy of the Form C-103 that you submitted for your Moise Well No. 1, subsequent to the notice of delinquent reports from this office on February 28, 1979. We have not yet received the Affidavit of Responsibility for converting the Moise Well No. 1 to a water supply well nor the Form C-103 as a Subsequent Report that such conversion has been done. Since this well was abandoned on or about September 5, 1978, and no permit for temporary abandonment was ever applied for, some completion method must be initiated prior to June 7th next. Otherwise the hearing originally slated for March 28th last, will be scheduled.

You will also find enclosed the copies of Form C-105 that were submitted for the above described location. These forms are incomplete and unacceptable. Kindly supply the missing data either on these copies or submit new forms properly filled in. Please note the specifications of Rule 1105.

Yours truly,

CARL ULVOG
Supervisor, District IV
