## KICO OIL CUNSERVATION COMMISSION ATION AND ACREAGE DEDICATION PLAT

Supersedes C-128 Effective 1-1-55

All direct as must be from the outer boundaries of the Section. Operator Lease Well No. Public Lands Exploration Co. Inc. Joan-State #1 Unit Letter Section Township Ranae County 16 ll North 26 East **Guadalupe** Actual Footage Location of Well: 660 North 990 feet from the West line and feet from the line Ground Level Elev. Producing Formation Dedicated Acreage: 4757.3 Chinle Wildcat Acres 1. Outline the acreage dedicated to the subject well by colored pencil or hachure marks on the plat below. 2. If more than one lease is dedicated to the well, outline each and identify the ownership thereof (both as to working interest and royalty). 3. If more than one lease of different ownership is dedicated to the well, have the interests of all owners been consolidated by communitization, unitization, force-pooling. etc? If answer is "yes," type of consolidation If answer is "no," list the owners and tract descriptions which have actually been consolidated. (Use reverse side of this form if necessary.). No allowable will be assigned to the well until all interests have been consolidated (by communitization, unitization, forced-pooling, or otherwise) or until a non-standard unit, eliminating such interests, has been approved by the Commission. CERTIFICATION I hereby certify that the information contained herein is true and complete to the 990 best of my knowledge and belief. SECTION 16 I hereby certify that the well location shown on this plat was plotted from field notes of actual surveys made by me or under my supervision, and that the same is true and correct to the best of my knowledge and belief. 1320 1650
