Guadalupe County, NM

Dear Mr. Berry:

Enclosed please find an approved copy of your Sundry Notice dated March 5, 1982. Due to the fact that this well has been shut-in since this date, we request that you file another Sundry Notice requesting a one-year Temporary Abandoned Status on this well. This Sundry Notice will have to be approved by the Director of this division. Accordingly, please note Rule 202 B.(1), (enclosed) and please submit the appropriate data to justify this extension.

If you have any questions concerning this matter, please contact me at this office.

Sincerely,

A handwritten signature in cursive script, appearing to read "Roy E. Johnson".
