RE: Salado Dome Federal Unit Well # 1
L-34-T5N-R19E
Guadalupe County, New Mexico

Gentlemen:

Enclosed are E logs, hole deviation reports, C-103, for the above captioned well. We were requested by the state to change the name of the lease from Good State Well No. 1, to Salado Dome Federal Unit Well # 1.

We are attempting to complete this well in the yeso formation. Completion to date has been delayed by adverse weather conditions. We hope that conditions now will allow us to go ahead. We should be filing the C-105 in the near future.

Cordially,

Harrison W. Pace
