Re: Good State Well No. 1
L-34-T-5N-R-19E
Guadalupe County, NM

Gentlemen:

A review of the above referenced well file has indicated that you are delinquent in filing the appropriate sundry notices (Form C 103) and copy of logs and all test data on this well. The last correspondence that this office has received was by telephone on June 20, 1984 with respect to setting 4 1/2" production casing and plugging back this well to a depth of 3400 feet. Please inform this office of your future intentions for this well and submit the appropriate data to update this well file.

Should you have any questions on this matter, please contact me at this office.

Sincerely,

ROY E. JOHNSON,
Senior Petroleum Geologist
