Gentlemen:

Enclosed herewith are the two copies of Form C-103 which you returned to us with your letter of March 23, 1956. These copies had been submitted July 31, 1955, but approval was withheld pending installation of dry hole location marker, levelling and cleaning location, and filling pits. This work has been accomplished. Please sign and return our file copy of Form C-103.

Yours very truly,
