Re: New Mexico 0973

Gentlemen:

Receipt is acknowledged of "Notice of Intention to Drill" dated October 7, 1952, covering your well No. 3 Watkins located on the subject leasehold in the NE1/4 section 26, T. 5 N., R. 23 E., N.M.P.M., wildcat, Gualalupe County, New Mexico.

Your proposed work is hereby approved subject to compliance with provisions of the Oil and Gas Operating Regulations revised May 25, 1942, copy of which has been furnished you, and subject to the following conditions.

1. Drilling operations so authorized are subject to attached sheet for general conditions of approval.
2. Cement the surface pipe throughout its entire length, and obtain approval of this office before running and cementing any other casing.
3. Furnish copies of results of all tests made, electric or other logs that are run, and sample descriptions.

On the various sundry notices and reports to be submitted on form 9-331a, please show dates on which the work was performed. Show date well was spudded on the first of such reports that are submitted.

Very truly yours,

H. A. DuPONT  
District Engineer
