Gentlemen:

Please refer to your letter of July 14, 1959. Mr. Charles Brashears owns the surface of the A. S. Wilkie Lease on which our Well No. 14-1 was drilled. It was Mr. Brashears's wish that the pits be left in the condition which you found them when you made your inspection. We have since secured Mr. Brashears's signature on a letter stating that fact. A copy of this letter is attached hereto. Therefore, the lease is now ready for final inspection at your convenience.

Yours very truly,

GENERAL CRUDE OIL COMPANY
