Guadalupe County, New Mexico

Gentlemen:

Enclosed herewith in quintuplicate is Form C-105, Well Record, for the subject well. Also enclosed in triplicate is amended Form C-103, Plugging Report, for the same well. This amended report is submitted to correct a typographical error. The first report showed the size of surface casing to be 8-5/8 inch O. D., while the second report corrects this to show 9-5/8 inch O. D.

Yours very truly,
