17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Due to junk in hole and drilling outside of existing 9-5/8" casing, this test was plugged and abandoned March 20, 1982 as per notice filed 3/19/82, and verbal permission from OCD, Santa Fe.

Well was Plugged as follows:

40 sx plug at T.D. 2061'  
30 sx plug at 1760' (inside & outside 9-5/8" casing stub)  
30 sx plug at 270' (inside and outside 13-3/8" casing.)  
15 sx plug at surface.

Heavy mud between all plugs. Will set dry hole marker and restore surface as near possible to original condition.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
