

NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS NOTICES

Submit this notice in triplicate to the Oil Conservation Commission or its proper agent before the work specified is to begin. A copy will be returned to the sender on which will be given the approval, with any modifications considered advisable, or the rejection by the Commission or its agent, of the plan submitted. The plan as approved should be followed, and work should not begin until approval is obtained. See additional instructions in the Rules and Regulations of the Commission.

TO THE MEMBERS OF THE ASSOCIATION AND TO THE PUBLIC:

The American Medical Association is pleased to announce that it has received from the United States Department of Health, Education and Welfare, a grant for the purpose of conducting a study of the medical profession in the United States. The study is being conducted by the American Medical Association in cooperation with the National Board of Medical Examiners and the American College of Surgeons.

Yours truly,

Respectfully,

W. C. Cline
