Dear Sir:

This is in regard to your State Well No. 1, in Sec. 27,  
T. 21 N., R. 30 E.

The only reports I have on this well are: form C-101,  
"Notice of Intention to Drill"; form C-103, "Report on  
Beginning of Drilling Operations; and forms C-104, "Opera-  
tors Monthly Report of Operations" for February, March,  
April and May, 1936.

The last report I have shows your well shut down at 700',  
waiting for the 10" casing.

I am enclosing herewith a Report Requirement List for your  
information. Under separate cover I am sending you a copy  
of Circular #1, Rules & Regulations, of the Oil Conservation  
Commission.

Very truly yours,
