Form 100-10 (Rev. 1-1-60)

OPERATIONS MONTHLY REPORT OF OPERATIONS

This report is to be completed by the commander of the unit or by a designated representative of the unit. It should be completed monthly and submitted to the higher authority. It should be completed for the month ending on the date specified in the heading.

The report should be completed in the following order: 1. Summary of Operations; 2. Detailed Report of Operations; 3. Summary of Personnel; 4. Summary of Equipment; 5. Summary of Supplies; 6. Summary of Other Matters.

1. Summary of Operations. This section should contain a brief summary of the operations of the unit during the month. It should include a statement of the number of operations, the results of the operations, and a statement of the number of personnel and equipment involved.

2. Detailed Report of Operations. This section should contain a detailed report of the operations of the unit during the month. It should include a statement of the number of operations, the results of the operations, and a statement of the number of personnel and equipment involved.

3. Summary of Personnel. This section should contain a summary of the personnel of the unit during the month. It should include a statement of the number of personnel, the number of personnel who were killed, wounded, or missing, and a statement of the number of personnel who were promoted or transferred.

4. Summary of Equipment. This section should contain a summary of the equipment of the unit during the month. It should include a statement of the number of pieces of equipment, the number of pieces of equipment that were lost, damaged, or destroyed, and a statement of the number of pieces of equipment that were repaired or replaced.

5. Summary of Supplies. This section should contain a summary of the supplies of the unit during the month. It should include a statement of the number of supplies, the number of supplies that were lost, damaged, or destroyed, and a statement of the number of supplies that were repaired or replaced.

6. Summary of Other Matters. This section should contain a summary of other matters of interest to the higher authority. It should include a statement of the number of other matters, the results of the other matters, and a statement of the number of personnel and equipment involved.

7. Summary of Other Matters. This section should contain a summary of other matters of interest to the higher authority. It should include a statement of the number of other matters, the results of the other matters, and a statement of the number of personnel and equipment involved.

8. Summary of Other Matters. This section should contain a summary of other matters of interest to the higher authority. It should include a statement of the number of other matters, the results of the other matters, and a statement of the number of personnel and equipment involved.

9. Summary of Other Matters. This section should contain a summary of other matters of interest to the higher authority. It should include a statement of the number of other matters, the results of the other matters, and a statement of the number of personnel and equipment involved.

10. Summary of Other Matters. This section should contain a summary of other matters of interest to the higher authority. It should include a statement of the number of other matters, the results of the other matters, and a statement of the number of personnel and equipment involved.

11. Summary of Other Matters. This section should contain a summary of other matters of interest to the higher authority. It should include a statement of the number of other matters, the results of the other matters, and a statement of the number of personnel and equipment involved.

12. Summary of Other Matters. This section should contain a summary of other matters of interest to the higher authority. It should include a statement of the number of other matters, the results of the other matters, and a statement of the number of personnel and equipment involved.

13. Summary of Other Matters. This section should contain a summary of other matters of interest to the higher authority. It should include a statement of the number of other matters, the results of the other matters, and a statement of the number of personnel and equipment involved.

14. Summary of Other Matters. This section should contain a summary of other matters of interest to the higher authority. It should include a statement of the number of other matters, the results of the other matters, and a statement of the number of personnel and equipment involved.

15. Summary of Other Matters. This section should contain a summary of other matters of interest to the higher authority. It should include a statement of the number of other matters, the results of the other matters, and a statement of the number of personnel and equipment involved.

16. Summary of Other Matters. This section should contain a summary of other matters of interest to the higher authority. It should include a statement of the number of other matters, the results of the other matters, and a statement of the number of personnel and equipment involved.

17. Summary of Other Matters. This section should contain a summary of other matters of interest to the higher authority. It should include a statement of the number of other matters, the results of the other matters, and a statement of the number of personnel and equipment involved.

18. Summary of Other Matters. This section should contain a summary of other matters of interest to the higher authority. It should include a statement of the number of other matters, the results of the other matters, and a statement of the number of personnel and equipment involved.

19. Summary of Other Matters. This section should contain a summary of other matters of interest to the higher authority. It should include a statement of the number of other matters, the results of the other matters, and a statement of the number of personnel and equipment involved.

20. Summary of Other Matters. This section should contain a summary of other matters of interest to the higher authority. It should include a statement of the number of other matters, the results of the other matters, and a statement of the number of personnel and equipment involved.

21. Summary of Other Matters. This section should contain a summary of other matters of interest to the higher authority. It should include a statement of the number of other matters, the results of the other matters, and a statement of the number of personnel and equipment involved.
