

STATE OF NEW MEXICO
OFFICE OF STATE GEOLOGIST
SANTA FE, NEW MEXICO

March 6, 1952

Mr. Frank C. Holden,
General Manager
Iceco, Incorporated
Tucumcari, New Mexico

Dear Mr. Holden:

I have at hand your C-103 which states the results of a well repairing on your Libby #2.

Since you supplied us with only one copy it will be necessary for us to keep this in our file. If you are interested in having an approved copy for your files, would you please prepare same and mail to this office.

Very truly yours,

ELVIS A. UTZ,
Gas Engineer
