Sirs:

I wrote you on March 29th requesting certain information concerning the production of carbon dioxide gas from three wells located on Section 31, Township 20 North, Range 31 East of the New Mexico Meridian in Harding County, New Mexico. I have not had a reply to my letter, and I am writing again to ask if I may be supplied with the information requested at your earliest convenience.

Yours very truly,

J. H. HAWTHORNE
