Dear Mr. Kapteina:

We submitted requirements under Commission's Rule 201 in connection with the plugging of the above designated well under date of March 13, 1968.

Since we have received no further word concerning additional requirements, we assume that release and discharge of Mr. Talley's bond is now in order.

Please furnish us with a formal notice of release for transmittal to the bonding company.

Thank you for your cooperation.

Very truly yours,

Stephen W. Bowen of
