Dear Mr. Kapteina:

Pursuant to our telephone conversation this date I am enclosing duly executed Plugging and Indemnity Bond executed on behalf of James A. Talley as operator.

As discussed by us, Form C-103 is on file in your office, and Mr. Talley has forwarded to Mr. Edmonds form of formal notification of transfer and request for release from responsibility under his bond. This should be in your office before the end of the week.

On the basis of our discussion, if the enclosed bond is found satisfactory, please call me collect authorizing commencement of drilling operations in this well.

Yours very truly,

  
Stephen W. Bowen of
