Indicate on this plat the subject well, its isolated pool, or fracture marks on the plat below.

Indicate on this plat the owners of the well, outline each and identify the ownership there if that is known.

If different ownership is determined to the well, have the interests of all owners been consolidated by communitization, unitization, or otherwise?

No. If answer is "yes," type of consolidation

is as follows: the owners and their descriptions which have actually been consolidated. (See reverse side of this plat.)

Indicate on this plat how the well will be assigned to the well until all interests have been consolidated by communitization, unitization, or otherwise for unit or nonstandard unit, eliminating such interests, has been approved by the Commis-

CERTIFICATION

I hereby certify that the information contained herein is true and complete to the best of my knowledge and belief.

AREA SUPERINTENDENT *Engineer*
Amoco Production Company

6-11-73

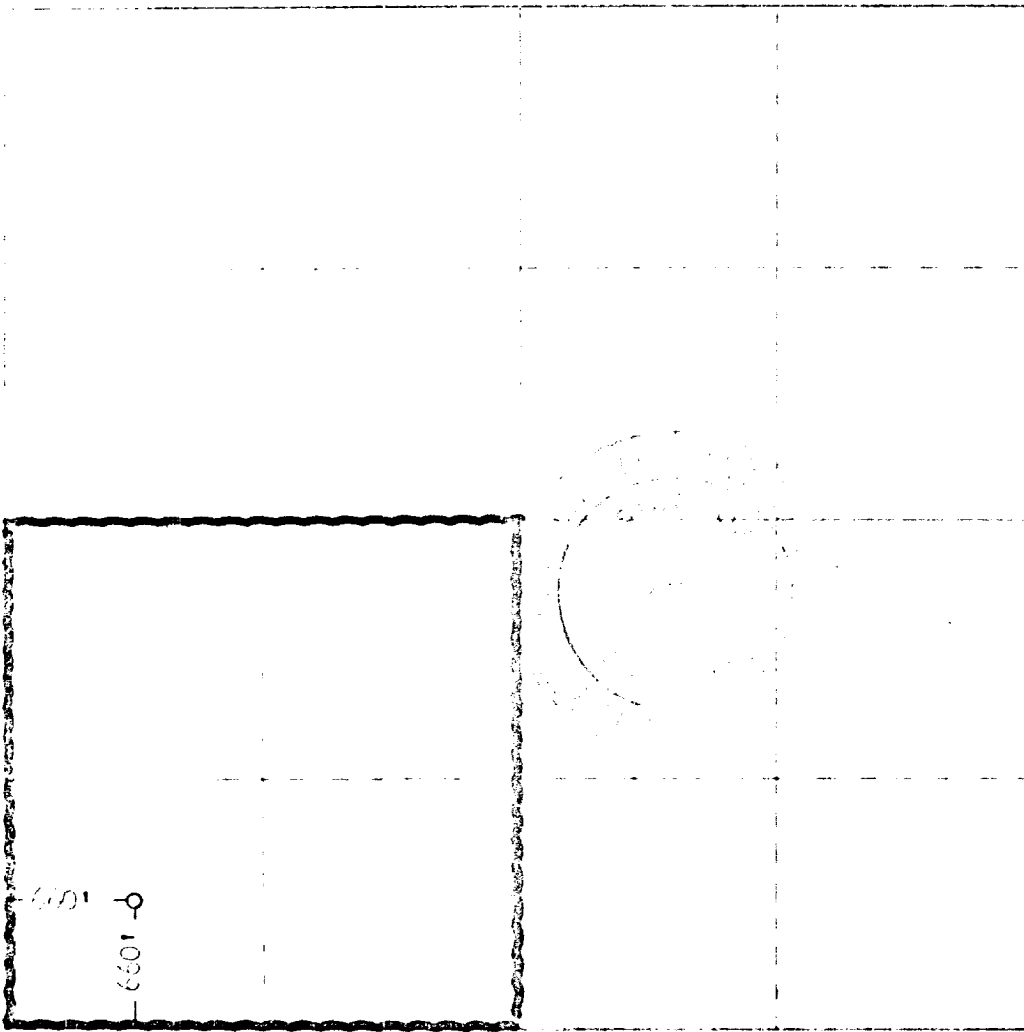

I hereby certify that the well location shown on this plat was plotted from the notes of actual surveys made by me or under my supervision, and that the same is true and correct to the best of my knowledge and belief.

Date surveyed

May 14, 1973

By plotting the test well location and/or unitization
