Mr. Stanley J. Pirtle  
Post Office Box 112  
Cisco, Texas 76437

Dear Mr. Pirtle:

I am enclosing copies of various material I found in the files pertaining to the Logan wells in New Mexico.

I went through practically every piece of paper in the files and other than the drilling daily reports and the well servicing copies - this seems to be about all there is. I do hope that it is what you are looking for and that it will be of some assistance.

I am also enclosing logs on each of the wells should you need them. If there is anything else you might need, just let me know and I'll see if there is anything else we can do.

Sincerely,

Ruth Nolan

*P.S. - Regarding the parties' name  
that did some work for  
OPC - bookkeeper is gone  
so I will call this info  
to you tomorrow*
