Dear Mr. Ulvog:

We have contracted for a service unit to come in and pull the remaining pipe in the following 3 wells.

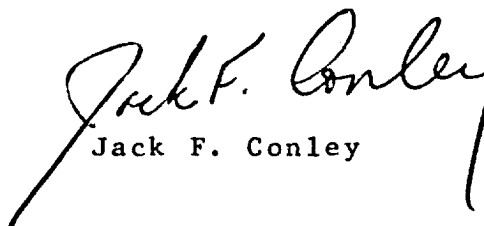

- a. Conley - #1 Cain (Sec 10, 15N, 33E)
- b. Conley - #3 Cain (Sec 4, 15N, 33E)
- c. Conley - Cain #1 State (Sec 21, 15N, 33E)

We have tried to get a service rig for over a month but nobody wants to come into the territory.

The main purpose will be to completely clean up and legally abandon the remaining drill sites.

I'll notify you if the contractor flakes out. This happened twice to date.

Sincerely,

Jack F. Conley
