Dear Mr. Sillerud:

As per your request of July 13, 1989, you are hereby given approval to flow test the above-referenced wells for a period of 168 hours including the time for load recovery. A 24-hour extension may be obtained, if necessary, by contacting Mr. Roy Johnson at this office.

At the conclusion of these tests, we will require that the results (pressure - gas and water volumes) be submitted to the Santa Fe district office.

Sincerely,
