Re: Well No. 1, DeBaca,
Section 19, Township 20 N.,
Range 31 East, N. M. P. M.

TO WHOM IT MAY CONCERN:

Notice is hereby given that no more gas shall be taken from the above designated well for experimental or other purposes until proper connections are made and recording meter is installed on the well, as outlined in the rules and regulations governing the production of carbon dioxide gas, as shown in Circular No. 4 of the Commission. You are reminded that Section 22, Chapter 72 of the Laws of 1935 provides a large fine and injunctive remedy for whomsoever proceeds with operations without being properly authorized by the Commission.

Re: Well No. 1, DeBaca,
Section 19, Township 20 N.,
Range 31 East, M. H. M.

TO WHOM IT MAY CONCERN:

Notice is hereby given that no more gas shall

be taken from the above designated well for experi-

mental or other purposes until proper connections are made

and recording meter is installed on the well, as out-

lined in the rules and regulations governing the pro-

duction of carbon dioxide gas, as shown in Circular

No. 4 of the Commission. You are reminded that Section

22, Chapter 78 of the Laws of 1935 provides a large

fine and injunctive remedy for whomsoever proceeds with

operations without being properly authorized by the

Commission.
