Gentlemen:

Attached is Notice of our Intention to Drill a carbon dioxide well on the land we have leased from Norman and Esther Libby in Harding County, New Mexico.

We would like to commence drilling operations by February 15th, so anything you can do to expedite approval would be greatly appreciated. If there is something omitted in our application, please notify me by return mail.

Yours very truly,

J. D. SCHWARTZ
President

c
P.S. Any information pertaining to our lease can be obtained from Mr. A. K. Montgomery, attorney in Santa Fe.
