Gentlemen:

We are desirous of obtaining a well log and all pertinent information on a well drilled in the 1950's in Harding County, New Mexico. This well was drilled to an approximate depth of 1800' on the Southwest Quarter of Section 34, Township 21N, Range 30E. This well was drilled, or caused to be drilled, by Roy Timmons of Denver, Colorado. The drilling was done by someone unknown to us from Colorado Springs, Colorado.

We are enclosing a stamped self addressed envelope and will appreciate any information you can give us regarding this matter.

Yours very truly,

Adams & McGahey
