

NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS NOTICES

Submit this notice in triplicate to the Oil Conservation Commission or its proper agent before the work specified is to begin. A copy will be returned to the sender on which will be given the approval, with any modifications considered advisable, or the rejection by the Commission or its agent, of the plan submitted. The plan as approved should be followed, and work should not begin until approval is obtained. See additional instructions in the Rules and Regulations of the Commission.

OIL CONSERVATION COMMISSION,
Santa Fe, New Mexico.

Gentlemen:

Following is a notice of intention to do certain work as described below at the Kerlin No. 1 Well

T. J. Kerlin, owner
Company or Operator
Lease
Well No. 1 in center
of Sec. 34, T. 21N., R. 30 E., N. M. P. M., Bueyeros Field,
Harding County.

FULL DETAILS OF PROPOSED PLAN OF WORK

FOLLOW INSTRUCTIONS IN THE RULES AND REGULATIONS OF THE COMMISSION

To open the above well fully, run slush bucket and test for water as requested and demanded in letter of Oil Conservation Commission dated May 17th, 1937, and if water is found to plug this off with lead wool, all in the presence of a representative of the Oil Conservation Commission and in the presence of all operators in the district desiring to be present.

The above test to be made on a date set at the convenience of the Oil Conservation Commission.

Approved July 13, 1937
