

OIL CONSERVATION COMMISSION

P. O. BOX 871

SANTA FE, NEW MEXICO

Will file

July 21, 1939

Mr. Rudy Parks
Rey, New Mexico

Dear Sir:

We have several well sites in Harding County, New Mexico on which circumstances requiring the same are to be directed to you. Commission Forms C-102 were filed at this office with Notice of Intention to Plug. They are as follows:

Harold Oil & Gas Co.
Circuit 1-4, Section 22, Town-
ship 23 North, Range 26 East
C-102 filed May 11, 1939

Valley, Moore & Rador
Circuit 1-1, Section 23, Town-
ship 23 North, Range 26 East
C-102 filed May 11, 1939

H. J. Smith
Circuit 3-3, Section 26, Town-
ship 23 North, Range 26 East
C-102 filed December 18, 1938

A. S. Madril
Block 1, 13/4 Section 19,
Township 23 North, Range 31 East
C-102 filed July 24, 1939

These forms show that over a year's time has passed since the filing dates, and no further steps to show reports of plugging have been filed. We would like to have these forms C-102 filed so as to close our files.

We will appreciate your cooperation and immediate response to this request.

Very truly yours,

HAROLD GARCIA
Oil & Gas Inspector
District 4
