Dr. J. Wesley Head,  
110 East Fifth Street  
Borger, Texas

Re: Case No. 53 - Order No. 587  
Head & Miller - Carbon Dioxide well

Dear Dr. Head:

As requested in your letter of May 12 you are being sent herewith a set each of Form C-102 and C-103. Under separate cover you are being sent Circular 5 of the Commission. At page 23 note the "Outline of Steps to be Taken by Well Operators From Beginning to End". See steps 14 and 15 which refer to the particular page and rule governing plugging of a well.

When you prepare Form C-102 in triplicate outlining your plugging program you are to submit that form to Roy O. Yarbrough, State Oil and Gas Inspector, Hobbs, New Mexico, for his consideration of approval; however, Mr. Yarbrough's approval will be subject to the provisions of the above captioned order which, as heretofore pointed out to you, prescribes a six months period in which any interested party may submit an acceptable plugging bond to the Commission unless prior to that time you have performed the plugging.

Very truly yours,

*Carl B. Livingston*  
Chief Clerk & Legal Adviser

CBL:MS  
cc Roy Yarbrough

*Roy: Will send you the log when you are ready for it. Whatever approval you give to C-102 should be conditioned to the provisions of Order 587. Will be glad to assist you in working the qualifications under which you approve the plugging program.*
