Amarillo, Texas

Attention: Mr. R. W. Adams

Gentlemen:

Reference is made to your casing program, as submitted on Form C-102 dated June 23, 1961, for your Gonzales Well No. 2, located in the SE/4 SE/4 of Section 9, Township 21 North, Range 30 East, Harding County, New Mexico. The program can be approved only if changed to comply with the "Special Rules and Regulations For The Bueyeros Field, Harding County, New Mexico;" as outlined in New Mexico Oil Conservation Commission Circular No. 4, Rules and Regulations For Carbon Dioxide Fields In the State of New Mexico. Said Special Rules and Regulations require surface casing to be cemented with sufficient cement to bring cement back to the bottom of cellar.

A copy of the Special Rules and Regulations For the Bueyeros Field is enclosed.

Very truly yours,

J. E. KAPTEINA
District Engineer
District IV

JEK/og
Encls.
