Dear Bill:

The attached notice is self explanatory, but as long as it has to be mailed, I'll ask a couple of questions:

1. Has a marker been put on either or both of your P & A wells #1 Berlier (M-14-21N-21E, Mora Co.) and #2 McAuliffe Ranch (O-21-30N-24E, Colfax County)? Both locations were O.K. when I last visited them except for no markers.
2. Has any progress been made in either getting Maes to convert - for water supply purposes - your #1 Fernandez-Maes (F-17-22N-21E, Mora County) or give you the plugging okay? Reference your letter to him 6/1/76.
3. Do you still want to keep your #1 McAuliffe Ranch (P-17-30N-24E, Colfax Co.) in temporary abandoned status? If so, please so request - in order for me to keep it that way legally. A Form C-103 is okay for that.

*Let Maes

*Good wtr well
may just plug.

Have you been in Wagon Mound area lately? The word is: Gruenerwald's zebra farm is in business! I haven't seen it yet but aim to in near future. Rumor is he plans to use his Kd gas wells to keep the critters warm this winter.

Yours truly,
