Re: Form C-103 to convert
Wagon Mound Wells to Water Wells
Mora County, New Mexico

Dear Carl:

Attached please find three (3) executed copies each of form C-103 and Affidavit of Responsibility for Conversion to Water Wells for each of seven wells drilled in Mora County, New Mexico.

I have not yet received papers from one of the landowners on the #1 Earl Daniels well. I will forward these to you as soon as I receive them here in my office.

Please approve these forms and return one approved form for each well to me at the above address.

If I may be of further assistance in this matter, please let me know.

Yours truly,

Sharon McWilliams
