Gentlemen:

Although ownership of the captioned well has passed to Union Land and Grazing Company and your company is relieved of further responsibility relative thereto, it is necessary that you submit a completed Form C-105 for this site. As you will note, Rule 1105 of our Regulations prohibits closing any well file or releasing a bond prior to receiving such a completion report and the bore-hole surveys.

Your assistance in closing the file on this well is appreciated.

Yours truly,
