NMCD
Attn: Joe Ramey
P.O. Box 2088
Santa Fe, New Mexico 87501

Dear Mr. Ramey,

Attached are the C-103's required by the NMCD in order to clear the files on the Simms Ranch #1 well. The well is still shut in and recently Roy Johnson inspected it. Roy found the mechanical integrity to be okay.

If there are any more questions please feel free to call me anytime.

Sincerely,

Phelps White
Operations Manager
