Dear Sir:

We have your Notice of Intention to Drill as submitted on Oil Conservation Commission Form C-101 concerning the above captioned location. I note that this location is unorthodox and refer you to Rule 104 on well spacing in our Rules and Regulations. If your reason for spotting this particular location is warranted, i. e., because of terrain, farm buildings, right of way for road, power line, etc., then state your reason as such and the unorthodox location and C-101 can be approved. Otherwise you shall have to show cause at a hearing of the Commission.

Under separate cover I am sending you a copy of our Rules and Regulations and some of our forms which you may need.

Very truly yours,

E. A. C.
