Dear Mr. Dawson:

My client, H. J. Cox, advises me that you are holding in your files an oil and gas lease covering the above described forty acres and that he has heretofore sent a form of transfer and acceptance to the Oil and Gas Conservation Commission effecting the change in the well plugging responsibility.

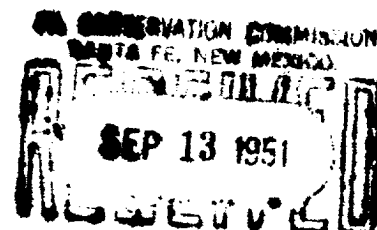

Will you please send said oil and gas lease to the Oil Conservation Commission in Santa Fe with instructions to them to hold same and deliver same to H. J. Cox when he furnishes them with the required plugging bond.

Yours very truly,
