Mr. J. E. Korteina,
District Engineer
New Mexico Oil Conservation Commission
Box 871
Santa Fe, New Mexico

Dear Sir:

This is to notify you that I have been retained by Union Land & Grazing Co.,
Patrons, New Mexico as well site geologist on their No. 1 Ft. Union well,
SW SE, Sec. 2; T20N; R19E., Mora County, New Mexico.

We desire to comply in every way with all Oil Conservation Commission Rules
and Regulations in the drilling and completing of the No. 1 Ft. Union well,
however up to now we have not been aware of all the procedures required.
It would be greatly appreciated if your office would forward a copy of the
Rules and Regulations of the New Mexico Oil Conservation Commission along
with a supply of all forms needed for the proper requesting of approval or
permission to me at this address.

Enclosed is a brief summary of operations up to October 4, 1961.

It is my intention, if my schedule permits, to make a trip to Santa Fe some-
time later to meet you and make certain that all Rules and Regulations have
been complied with on the No. 1 Ft. Union well.

Very truly yours,

Paul R. Buehler,
Consulting Geologist
