Township 23 North, Range 22 East,  
Mora County, New Mexico

Dear Mr. Filkey:

Thank you for your letter of August 16, 1962. Please excuse my delay in replying. I have been out of the state for the past two weeks and did not return to my office until yesterday.

Please be advised that we appreciate your cooperation in executing the Conversion to Water Well forms and look forward to receiving the same from you as soon as they have been returned by the landowner.

We are unable to furnish you the forms requested to transfer ownership of Federal leases in New Mexico, as we do not have these forms in our office. However, you probably can obtain the same from Mr. Douglas Henriques, United States Land Office, 113 Washington Avenue, Santa Fe, New Mexico. Mr. Henriques also should be able to advise you concerning particular instructions for completing the same.

Very truly yours,

JAMES M. DURRETT, Jr.,

Re: Jeoffroy Well No. 1, Section 21,  
Township 23 North, Range 22,  
East, Mora County, New Mexico.

Dear Mr. Durrett:

This is to acknowledge the receiving of your letter and enclosures of July 25, 1962 on August 15, 1962 - via Hawkinson Tire Service Company, Market at Theresa, St. Louis, Missouri. However, as you requested, the above address is no longer used - and in the future I'd appreciate your sending me all correspondence in reference to Jeoffroy Well No. 1, Etc., to 660 E. Jefferson Ave., St. Louis County 22, Missouri. I would have possibly received said letter at an earlier date; nevertheless, having just returned home from a business trip yesterday explains the delay. May I say at this time that I'm sorry for the inconvenience caused in your behalf concerning this matter; however, with my being able to receive all correspondence at the Jefferson Ave. address in the future - I can assure you that your requests will be acted upon easier and as quickly as possible!

At this time, I am presently filling out the forms you enclosed and upon receiving the notarized signature, etc., of the landowner by return mail on the Affidavit of Responsibility Conversion to Water-Well forms - I will forward the same to you at your office. Thanking you for your understanding in this matter at this time, I remain,

Very truly yours,

  
R. W. Filkey Jr.

RWFJr/jr

/ P.S. Mr. Durrett, would you also send me, at your earliest convenience, the forms required to transfer the ownership of Federal leases for the State of New Mexico from one individual to another individual. I'll need enough copies for five (5) leases, with instructions - if you feel instructions are necessary - referring to notarized signatures, recording procedures, etc. Thank you.
