

## NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

## MISCELLANEOUS NOTICES

Submit this notice in TRIPLICATE to the District Office, Oil Conservation Commission, before the work specified is to begin. A copy will be returned to the sender on which will be given the approval, with any modifications considered advisable, or the rejection by the Commission or agent, of the plan submitted. The plan as approved should be followed, and work should not begin until approval is obtained. See additional instructions in the Rules and Regulations of the Commission.

OIL CONSERVATION COMMISSION  
SANTA FE, NEW MEXICOSpringer, N. M.  
(Place)9 - 16 - 61  
(Date)

Gentlemen:

Following is a Notice of Intention to do certain work as described below at the Rinehart No. 2 well  
Willard C. & Marion E. Franks Rinehart Well No. 2 in M  
 (Company or Operator) (Unit)  
SU 1/4 SW 1/4 of Sec. 29, T. 23 N, R. 22 E, NMPM., Wildcat Pool  
 (40-acre Subdivision)  
Mora County.

FULL DETAILS OF PROPOSED PLAN OF WORK  
(FOLLOW INSTRUCTIONS IN THE RULES AND REGULATIONS)

As we discussed this well on location Sept. 11, 1961, it is my plan to run a squeeze job through the perforations in this well just as quickly as the Jeffery diagonal offset has been drilled to the sand which will enable us to more fully understand the cementing problem that confronts us in the above well. I believe that I can make a producing well of the Rinehart No. 2.

*Request permission to temporarily abandon for a period of 60 days*

Approved September 19, 1961

Except as follows:

*Temporary abandonment period ends November 18, 1961*

Approved  
OIL CONSERVATION COMMISSIONBy J. E. KaptanaTitle District EngineerWillard C. & Marion E. FranksWillard C. Franks
