Dear Mrs. Hewett:

The Form C-105 from the following test well does not show the spud and completion dates for the well.

Powers 1-28 State, Quay Co.  
1980' S & W 28-15N-34E

The Form C-105 from the following test well does not show the spud date for the well.

Powers 2-28 State, Quay Co.  
2400' S & 1934' W 28-15N-34E

I assume that your copies of these forms do not contain this information either. However, I would appreciate it if you would check the file to see if you happen to have anything which would give some hint as to when these tests were drilled.

Sincerely yours,

*Robert A. Bieberman*
